

The sun rises in the East, and sets in the West just like clockwork. And the days roll on.

Day after day, you work for the thin green ...it passes through your hands, and ultimately means nothing. Are you perhaps seeking...searching for something better?

Become better. Do what you were meant to do. Seek the light of Freemasonry. We're not just friends...we are a band of Brothers. We stand together, and improve our being...and the world is a better place because of it.

You have a choice...do nothing, or help change the world around you. We are an ancient fraternity, as old as time, a worldwide tradition over 5 million strong.

There are no limits. Discover a real treasure in Freemasonry. We're waiting for you.

We are Tuckahoe Lodge No. 347, AF&AM. Since 1923 we have maintained a reputation of friendliness and strong degree work. We presently have about 170 members. If you are visiting our web site and are interested in joining our fraternity, you might just become member 171. There is more information about Masonic membership on the 'Becoming a Mason' link at the top of our home page, and you can download and print a petition for membership.

Virginia Freemasonry...So good to be part of it!
